# **Important Information**

**Our** Cherish Home B&B Insurance **Policy** is designed to protect **You** against the risk of things happening suddenly which **You** could not have expected such as fire, theft, **Flood** and **Storm**. It is not designed to protect **You** against losses that arise due to the gradual deterioration or poor maintenance of **Your Home**.

**We** want to ensure that **You** are fully aware of the extent of **Your** cover and would therefore urge **You** to read this **Policy** in full, along with the **Policy** Schedule. **We** have also taken this opportunity to bring some helpful information to **Your** attention.

This section does not form part of **Your Policy** and contains only examples of what is contained in **Your** wording.

#### Collision

If someone crashes into **Your** wall or **Your** house, make sure **You** record their name, address, vehicle registration and contact details. **We** will need this information to help **Us** try to recover **Your Excess**.

#### **Drains**

Some drains which use defective materials such as pitch fibre in their construction are prone to wear out over time naturally. If this happens they will not be covered by **Your Policy**, but there are more specific insurance policies available to protect **You** against this risk.

# Escape of water

**Your** cover for escape of water is designed to cover damage to **Your** property caused by water leaks. One of the biggest risks of water damage occurs when **You** are away during the winter when pipes can freeze and burst, causing large amounts of damage.

It is important that **You** take steps to avoid this by keeping **Your** central heating on low so that **Your** pipes do not freeze over. It's always a good idea to get **Your** boiler checked and/or serviced by a Gas Safe/Oftec/Hetas certified engineer, depending on **Your** heating system, in plenty of time for winter. This will help prevent boiler failure which could leave **You** with no heating and/or hot water. If **You** want to turn **Your** heating off, then **You** should drain **Your** central heating system and switch off the water at the mains. Please be aware that cover for escape of water ceases after the home has been unoccupied for more than 60 consecutive days.

In addition, damage can occur due to water leaks caused when the sealant or grout around **Your** bath or shower has worn away or failed. It is important to inspect and maintain **Your** property as damage of this nature is not covered by the **Policy**.

Pipes often burst because they have worn out. If this happens, **You** should turn off the main stop tap and contact a plumber. **We** will pay for the damage the water causes but not to repair the pipe itself.

# Important Information continued

#### **Fires**

A large percentage of fires start in the kitchen and are caused by faulty electrical appliances or unattended cooking pans and equipment – particularly chip pans. In addition candles, cigarettes, electric blankets and overloaded plug sockets cause a significant fire risk.

Always purchase electrical goods from a reputable supplier as branded goods sold via untraceable Internet suppliers at much reduced prices may be counterfeit and/or may not be fitted with the appropriate safeguards against the risk of fire.

Please ensure **You** bear these risks in mind and take adequate precautions to protect everyone in **Your Home**.

Smoke alarms save many lives and significant damage every year. Please ensure that **You** have them fitted and check them regularly.

#### **Floods**

If water has or is expected to enter **Your** property, **You** should secure **Your Home** and move **Your Valuables** and essentials to an elevated place or upper floor. **You** should also turn off all the utilities like power, water and gas supplies at their main source and disconnect all electrical appliances if possible.

If **You** know that **Your Home** is in an area which is prone to flooding, there are additional steps **You** can take to protect it. **We** would recommend contacting **Your** local Environment Agency for further advice or call Floodline on 0345 988 1188.

### **Storms**

Properties are designed to withstand damage by all but the most extreme weather conditions. Normal weather conditions should not cause damage to a well maintained property and damage to poorly maintained **Homes** is not covered by this **Policy**. It is therefore important that **You** keep **Your** property in a good state of repair. Areas that **You** should focus on include blocked or broken gutters or down-pipes and loose or damaged roof tiles.

Some areas like flat roofs, fascia boards and boundary walls are difficult to inspect. So if **You** cannot check them **Yourself**, **You** should employ a relevant building expert to do this for **You**.

# Subsidence

Damage caused by **Subsidence** is the result of ground movement affecting **Your** property. The most common signs of this are diagonal cracks away from door and window frames. New properties will often move for reasons other than **Subsidence** and this natural **Settlement** is not covered.

**Subsidence** and other types of ground movement can be difficult and complex to repair. It is important that **You** tell **Us** as soon as possible if **You** think **Your** house may be affected.

# Important Information continued

#### **Thefts**

Many thefts are committed by so called 'opportunist' criminals. **Your** property is significantly more likely to be burgled if accessible entrances are not locked and secured. **Your Policy** may carry an **Endorsement** about the security **You** have in place to prevent thefts. This usually requires **You** to have certain types of door and window locks. Make sure **You** check **Your** Schedule to ensure **You** have the right protection in place. If **You** fail to meet these requirements, **We** may impose a higher **Excess** for theft claims.

If **You** are leaving the **Home** vacant, do what **You** can to make it appear occupied. Ask a neighbour to pick up the mail, cancel milk and any other regular deliveries, and use timers on lights if **You** have them.

Garages and sheds are attractive to criminals as they are easier to break in to and often contain valuable items such as tools. Locking these is another important step to minimising the risk of a theft.

**You** should also take particular care of items such as laptops, tablets or mobile phones if **You** have Personal Possessions cover. **We** will not cover the theft of such items if they have been left unattended outside of **Your Home**.

# Making sure your cover stays in place

**We** asked **You** a number of questions when **You** purchased **Your Policy** and it is important **You** tell **Us** if any of these things change.

These parts of **Your Policy** are called conditions. In other words, **Your** cover remaining intact may be conditional on **You** giving **Us** the right information at the start of **Your Policy** and then letting **Us** know if **Your** circumstances change.

#### These include:

- If **You** are making changes to **Your Building** like adding an extension.
- If You think You need to make a claim.
- Change of address.
- Structural alteration to Your Home, which You must notify Us of 30 days before any structural alterations begin.
- If **You** or **Your Family** intend to let or sublet **Your Home**.
- If Your Home will be Unoccupied.
- If **You** or **Your Family** have been declared bankrupt or been subject to bankruptcy proceedings.
- If **You** or **Your Family** have received a police caution for or been convicted of or charged with any offence other than driving offences.

# Important Information continued

# Checking for changes to your cover

If You have varied the basic terms of Your Policy with Us, this will be stated on Your Schedule.

In addition, **We** may apply **Endorsements** that can include things like a requirement to have a burglar alarm fitted, a certain type of lock on **Your** doors, a larger **Policy Excess** on a specific section, or an increased limit for one of **Your** valuable items.

# Definitions

These definitions do not apply to Home Emergency, Family Legal Protection or Identity Theft where separate definitions apply.

# General Conditions

These conditions do not apply to Home Emergency or Family Legal Protection where separate conditions apply.

You and Your Family must keep to the following conditions to have the full protection of Your Policy. If You or Your Family do not comply with them We will take one or more of the following actions:

- Cancel Your Policy.
- Declare Your Policy void (treating Your Policy as if it never existed).
- Change the terms of Your Policy.
- Refuse to deal with all or part of any claim or reduce the amount of any claim payment.

# Providing accurate and complete information

When taking out, renewing or making changes to this Policy, You or Your agent (acting on Your behalf) must take reasonable care to provide accurate and complete answers to all questions.

We may ask You to provide further information and/or documentation to ensure that the information You provided when taking out, making changes to or renewing Your Policy was accurate and complete.

# The value of your contents

You must notify Us as soon as possible when the full value of Your Contents exceeds the amount shown in Your Policy Schedule. If the amount shown on Your Schedule represents less than 100% of the full replacement value of Your Contents, We will only be able to settle claims at the percentage You are insured for. For example if the value of Your Contents shown on Your Schedule only represents 70% of the full replacement value then We will not pay more than 70% of **Your** claims.

The full replacement value of Your Contents means the current cost to replace all of Your Contents as new.

If the full replacement value of **Your Contents** exceeds the amount shown in **Your** Schedule the cover under the **Policy** will no longer meet **Your** needs.

# The value of your buildings

You must notify **Us** as soon as possible if the full rebuilding cost of **Your Buildings** exceeds the amount shown in Your Policy Schedule. If the amount shown on Your Schedule represents less than 100% of the full replacement value of Your Buildings, We will only be able to settle claims at the percentage You are insured for. For example if the value of Your Buildings shown on Your Schedule only represents 70% of the full replacement value then We will not pay more than 70% of Your claims.

The full rebuilding cost of Your Buildings means the cost of rebuilding if the Buildings are completely destroyed. This is not necessarily the market value.

If the full rebuilding cost of Your Buildings exceeds the amount shown in Your Schedule the cover under the **Policy** will no longer meet **Your** needs.

# Updating sums insured

Although this **Policy** does not specifically provide for increases to take account of inflation, the level of cover selected will be reviewed periodically and You will be advised when general increases take place.

However, the value of **Your Contents** or **Your Buildings** may be growing faster, perhaps because of acquired items or improvements to the property such as adding a conservatory.

You should ensure that You have sufficient cover and if in doubt, You should contact Your broker or insurance intermediary for assistance.

# Changes in your circumstances

You must tell Us as soon as possible if Your circumstances change or if any of the information shown in Your proposal form, Statement of Fact or Schedule changes during the Period of Insurance.

Examples of changes **We** must be made aware of are:

**We** will then tell **You** if there will be any change to **Your** insurance premium and/or any change in the terms of **Your Policy**.

You must ensure that You provide accurate and complete information when asked questions about the changes in **Your** circumstances.

If You are in any doubt please contact Cherish Insurance Services on 0800 197 2770 option 2.

- Knowingly makes a fraudulent or exaggerated claim under Your Policy, or
- Knowingly makes a false statement in support of a claim, or
- Submits a knowingly false or forged document in support of a claim, or

# Family Legal Protection

This insurance is managed and provided by Arc Legal Assistance Limited. It is underwritten by AmTrust Europe Limited, on whose behalf **We** act.

If You make a valid claim under this insurance, We will appoint Our panel solicitors or their agents to handle Your case. You are not covered for any other legal Adviser's Costs unless court proceedings are issued or a Conflict of Interest arises. Where, following the start of court proceedings or a Conflict of Interest arising, You want to use an Adviser of Your own choice, Advisers' Costs payable by Us are limited to no more than (a) Our Standard Advisers' Costs; or (b) the amount recoverable under the Civil Procedure Fixed Recoverable Costs regime, whichever is the lower amount.

The insurance covers **Adviser's Costs**, less any excess, up to the **Limit of Indemnity** where:

- a. The **Insured Incident** takes place in the **Insured Period** and within the **Territorial Limits** and
- b. The **Legal Action** takes place in the **Territorial Limits**.

## **Important Conditions**

A positive outcome includes, but is not limited to, recovering the amount of money at stake, enforcing a judgment or achieving an outcome which best serves **Your** interests. The assessment of **Your** claim and the prospects of its success will be carried out by an independent **Adviser**. If the **Adviser** determines that there is not a 51% or greater chance of success then **We** may decline or discontinue support for **Your** case.

### **Proportional Costs**

An estimate of **Advisers' Costs** to deal with **Your** claim must not be more than the amount of money in dispute. The estimate of the **Advisers' Costs** will be provided with the assessment of **Your** case and will be carried out by the independent **Adviser**. If the estimate exceeds the amount in dispute then **We** may decline or discontinue support for **Your** case.

### **Duty of Disclosure**

If this policy covers **You** as a private individual, unrelated to any trade, business or profession, **You** must take reasonable care to disclose correct information.
