information, **you** must take reasonable care to ensure the information is true, complete and accurate.

- **Deliberately inaccurate information** If **you** deliberately or recklessly give **us** information that is not true, complete and accurate, **we** can treat the **policy** as if it never existed. This means **we** will not cover any claims or losses and **you** must pay back any payments **we** have already made under the **policy**, even for genuine claims. **We** can also keep the **policy** premium.
- 3. Information given carelessly If you carelessly give us information that is not true, complete and accurate, what we can do depends on what we would have done if you had taken care when giving information to us, as follows:
  - a. If we would not have entered into the policy, we can treat it as if it never existed. This means we will not cover any claims or losses and you must pay back any payments we have already made under the policy, even for genuine claims. However, we will return the policy premium.
  - b. If **we** would have entered into the **policy** but on different terms (not including the amount of the premium), **we** can apply those different terms as if they applied from the start of the **policy period**.

Both b. and c. above can apply at the same time.

4. Annual policy review Every year we will ask you to review the policy to check that all information you have provided remains correct and that the policy remains suitable for your demands and needs. To do this, we will contact you before the annual review date to remind you of the information you have given us. If the information is no longer true, complete and accurate, you must let us know. We may then:

- a. amend the **policy** terms, including the premium;
- b. confirm that we are happy to continue to cover you on the same terms; or
- c. cancel the **policy**. **We** will only do this in rare cases and where there is a valid reason for doing so.

5. Changes to your information between review dates If any of the information shown on the information statement changes at any time during the policy period, you must let us know as soon as possible. We may then:

- a. amend the **policy** terms, including the premium;
- b. confirm that we are happy to continue to cover you on the same terms; or
- c. cancel the **policy**. **We** will only do this in rare cases and where there is a valid reason for doing so.

If **you** do not tell **us** about a change, **we** will be entitled to the remedies shown under 3. a. to c. above from the date the information changed.

You do not need to tell **us** about changes if the information on the **information statement** remains true, complete and accurate. However, **you** should always let **us** know as soon as possible if the **policy** is no longer suitable for **you** for any reason.

Provided <b>you</b> have not made a claim, <b>we</b> will return the premium for any period after the date the cancellation takes effect but for which <b>you</b> have already paid.

10.	Changing your cover option	This <b>policy</b> can include different sections to meet <b>your</b> specific requirements. <b>You</b> can add and remove sections of cover at any time, as and when <b>your</b> circumstances or requirements change.
		a. If <b>you</b> want to add a new cover, please let <b>us</b> know and provide <b>us</b> with any additional information <b>we</b> ask for. If <b>we</b> are able to provide the new cover and <b>you</b> agree to the terms and premium, <b>we</b> will give <b>you</b> new <b>policy</b> documents confirming the new cover. The schedule will show <b>start of cover date</b> for the new cover. That cover will be reviewed again at the next <b>annual review date</b> , even if the cover has not been in force for a full year.
		b. If you want to remove a cover, please let us know. Provided you have not made a claim, we will return the premium for any period after the date the cancellation takes effect but for which you have already paid. We will give you new policy documents confirming the new cover.
11.	Cover under multiple sections	If anyone covered by the <b>policy</b> is covered under more than one section of the <b>policy</b> for the same claim or loss, <b>we</b> will only provide cover under one section, being the section that provides the best outcome for that person.
12.	Taking care	<b>You</b> must take reasonable care to maintain any covered property in a good and safe condition and to minimise the risk of any loss, damage or injury.
		If <b>you</b> do not, <b>we</b> will not cover any claim or loss occurring whilst <b>you</b> are not in compliance with this condition unless <b>you</b> can show that <b>your</b> failure to comply could not have increased the risk of the loss, damage or injury happening.
13.	Applicable law	The <b>policy</b> is subject to law of the country in the United Kingdom in which the <b>main home</b> is situated.
14.	Third parties	No one who is not a party to the <b>policy</b> has any rights under it that they would not have had if the Contracts (Rights of Third Parties) Act 1999 did not exist.

		If <b>you</b> do not tell <b>us</b> as soon as possible and the amount of the loss has increased, <b>you</b> will be responsible for the amount by which the loss has increased.
2.	Providing information	<b>We</b> will not cover any claim or loss if <b>you</b> do not give <b>us</b> all information <b>we</b> reasonably require.
3.	Minimising losses	If <b>you</b> suffer a loss, <b>you</b> must take all reasonable steps to prevent the loss becoming worse. This includes making emergency repairs, if necessary.

7.	Recovered items	If <b>we</b> recover any property belonging to <b>you</b> after <b>we</b> have already paid <b>you</b> for its loss, <b>you</b> can buy the item back from <b>us</b> for the amount <b>we</b> paid under the <b>policy</b> in respect of that item
8.	Multiple insureds	If more than one person is covered under the <b>policy</b> , this does not increase the amount <b>we</b> will pay in the event of a claim or loss. The relevant limit is the most <b>we</b> will pay regardless of the number of people covered.
9.	Dishonest claims	If anyone makes a fraudulent claim under the <b>policy</b> , <b>we</b> can:
		a. refuse to pay that claim;
		<ul> <li>serve notice to terminate the <b>policy</b> with effect from the date of the fraudulent act;</li> </ul>
