Family Legal Solutions protects you against legal costs to protect your legal rights if you become involved in a dispute that is covered by the policy. You also have access to a range of free helplines offering legal and tax advice, identity theft resolution and a counselling service. You can also register to use our Consumer legal services website which allows you to create legal documents online – such as a free will.

### **When and how do I pay?**

The person who sells your Family Legal Solutions policy will tell you whether you need to pay a separate premium for this cover or whether it is automatically included in the sum you pay for your home insurance policy. If you are charged a separate premium it can be paid by the same method at the same time as you pay for your home insurance.

### **When does cover start and end?**

Cover starts and ends at the same time as your home insurance policy, unless you have paid a separate premium for Family Legal Solutions and wish to cancel your cover at any other time.

### **How do I cancel the contract?**

Where your premium for Family Legal Solutions has been included within your home insurance premium, it cannot be cancelled independently from your home insurance policy and the contract will run for as long as that policy stays in force. If you have paid an additional premium for Family Legal Solutions, you can cancel within the first 14 days of receiving your policy and obtain a full refund provided that we have not accepted a claim. Tell the person who sold your policy to you that you wish to cancel. They will decide what refund, if any, is due for the time you have not used if you cancel after the first 14 days.
