Helpful hints

We recommend that **you** take simple precautions for **your** own safety to prevent accidents and reduce the likelihood of loss or damage. This could avoid distress and inconvenience as well as financial loss.

Fire Prevention

Do

- Test **your** smoke alarms regularly. Smoke alarms save many lives and significant damage every year.
- Check **your** electrical equipment regularly, make certain that correct fuses are used and do not overload the circuits.
- Follow maker's instructions, particularly for electric blankets. Hire a competent electrician if **you** are in doubt.
- Always unplug non-essential appliances before **you** leave the home or before **you** go to bed at night especially electric blankets.
- Be careful with cigarette ends, ashtrays and hot irons.
- Install suitable fire extinguishers. **You** should put one in the kitchen.
- Make sure that all open fires are correctly guarded – even if they appear to be out – especially at night.
- Have **your** chimneys swept and flues regularly checked, at least once a year (if **you** use open fires).
- Put out candles before **you** leave the room, make sure they have secure holders and are not near any flammable material or surface such as curtains.

Don't

- Smoke in bed.
- Move or fill oil heaters when they are alight.
- Let children play with matches or fire.
- Leave a pan of fat unattended on the cooker.
- Leave children unattended in an active kitchen.
- Overload electrical sockets.

In the event of a fire, plan an escape route for **your** family, keeping all window and door keys in easy access. Do not attempt to gather contents.

If **you** would like more information about fire, its effects and prevention go to [http:// firekills.direct.gov.uk](http://firekills.direct.gov.uk).

Water Damage

One of the biggest risks of water damage occurs when **you** are away during the winter when pipes can freeze and burst.

It is therefore important that **you** insulate all pipes in **your** home especially the pipes in the loft as these are vulnerable to the cold air especially in winter months.

If **you** are going on holiday or the home is going to be **unoccupied** between the period of 1st October to 31st March it is important that **you** maintain a temperature of a minimum of 15°C throughout the home, because the pipes in your loft are particularly vulnerable, we recommend that **you** keep **your** loft hatch open to allow the warm air to reach the pipes and reduce the possibility of the pipes and tank freezing. If **you** want to leave **your** heating off, then **you** will need to drain **your** whole central heating system and switch off the water supply at the mains.

If, despite **your** precautions, **your** pipes freeze, turn the main supply off by the stopcock and thaw them out slowly using hot-water bottles or hairdryers. Never use a blowlamp or warm-air paint stripper guns. Turn the tap on where you believe the frozen pipe is to allow the melted water to drain from the system.

If the pipe has burst you should turn off **your** water immediately, avoid using any electricity in the area of damage and remove any **contents** away from the leak to prevent further damage.

Theft

It is important that **you** take all reasonable measures to avoid loss or damage from the home by improving security. By making access to the home difficult, thieves will be put off.

If **you** have suffered a previous theft loss or **you** live in an area that may have a high risk of theft, it may be necessary for **you**, as part of the policy conditions under this insurance to fit either security devices or an approved intruder alarm or both.

If **you** do suffer from a theft in this **period of insurance**, we may look for a security upgrade to offer a renewal to **you**. Please ensure this is done prior to the renewal invite to stop any confusion at renewal.

Security

- ▶ Make sure you have good-quality locks (approved to British Standard) fitted to all of **your** outside doors and all accessible windows at the **home**.
- ▶ Use the door and window protections when **you** leave the home unattended day or night, even if it is just for a quick trip and remove the keys from the locks (including the garage), do not leave them under a flowerpot, garden ornament or car wheel, on show through the letter box or anywhere else they can be found easily.
- ▶ Leave a light on, on a timer, in a room other than the hall when **you** are out in the evening or overnight.
- ▶ Do not leave large amounts of money in the **home**.
- ▶ Do not leave high risk items in unattended vehicles.
- ▶ Photograph **your** high-risk items and keep copies of valuations and receipts. These are extremely helpful in case they are lost or stolen, not only to **us** but also to the police.
- ▶ Mark **your** high-risk items with **your** postcode and house number with special security markers.
- ▶ Do not let strangers into the home without proof of identity. Consider fitting a door safety chain or a spy hole.

When you go away on holiday

- ▶ Tell a trusted neighbour or **your** local Neighbourhood Watch about **your** holiday.
- ▶ Stop newspaper and milk deliveries.
- ▶ Do not advertise **your** absence; leave a light on, on a timer, in a room other than the hall when **you** are out in the evening or overnight.
- ▶ Place any small high-risk items which are not being carried or worn with a bank or other suitable deposit.
- ▶ Make certain that all doors and windows are closed and locked. If **you** have an alarm, make sure this is switched on.
- ▶ Leave **your** key with a trusted neighbour and ask them to look in and inspect the **home** occasionally.

If **you** doubt the effectiveness of **your** existing door or window locks or bolts, please see the Security Recommendations section.

For further advice talk to **your** crime prevention officer at **your** local police station, a member of the British Locksmiths Association or visit: www.homeoffice.gov.uk.

Security recommendations

We recommend that;

Doors

- ▶ On all doors into the **buildings, you** should fit a five-lever mortise deadlock to British Standard 3621.
- ▶ If **you** have UPVC doors, they should be secured by a minimum of a three (3) point locking system.
- ▶ If **you** have French windows or double sliding patio doors, **you** should, where possible, fit mortise security bolts or a key-operated lock to the top and bottom of each opening part of the door.
- ▶ If **you** have aluminium-framed sliding or patio doors, you should, where possible, fit detachable key-operated runner locks.
- ▶ Key-operated security bolts fitted to the top and bottom of all doors into the home will give **you** greater security.

Windows

All opening sections of basement, ground floor or easily accessible windows (without using ladders) should be fitted with key-operated locks.

Intruder Alarm

If **you** plan to get a quote for an intruder alarm, **you** should check that the installer is a registered member of the National Security Inspectorate (NSI) or Security Systems and Alarms Inspection Board (SSAIB). **We** recommend that your alarm is under an annual contract.

How to make a claim

The following guidelines are to help **you** if **you** have a loss under this policy.

If **you** need to make a claim under this policy, please follow these steps.

1. Check **your** policy **schedule** to see which section **you** are covered for.
2. If **your** loss is due to theft, attempted theft, riot civil commotion, or vandalism is lost or damaged away from the **home**, tell the police first and ask for an incident number. It would be helpful if **you** have an idea of how much it would cost to replace or repair the item **you** would like to claim for.

Phone household claims on: 03300 567 135

Tell them **your** policy number. **You** will find this on **your** policy schedule. They will register the claim from the details **you** give them and they will tell **you** what to do next.

This phone number is for registering new claims and is open twenty-four (24) hours a day, three hundred and sixty-five (365) days a year.

If **we** need more information from **you** or **we** appoint an independent specialist to investigate **your** claim, please help the investigation as much as **you** can. This will help them to settle **your** claim as quickly as possible.

The independent specialist will give their independent view of the situation. If **you** do not understand their comments, please ask them to explain this, or ask **us** or **your** broker, as confusion may lead to problems later on.

If **we** are not able to pay **your** claim, **we** will explain why. If **you** are still not sure, **you** can contact **us** or **your** broker. They will answer any questions **you** may have.

Guidance note

If **you** own and live in the **home** insured by this policy, accidents which happen in the **buildings** or on land are, by law, usually the responsibility of the person who lives in the **home** or on the land, rather than the person who owns the **home**.

What is covered

24. Liability as the owner of your present and previous home.

During the **period of insurance**, **we** will insure **your** or **your family's** legal liability to pay compensation as:

- current owner, but not as occupier, for accidents happening in and around the **home**;

Settling claims

As long as the loss or damage is covered, **we** will decide to repair, reinstate or replace the part of the **buildings** damaged or destroyed or pay for damaged parts, as long as:

- the **maximum claims limit** is enough to rebuild the **buildings** in a new condition similar in size, form and style;
- the repair or rebuilding is carried out immediately after **you** receive approval (other than emergency repairs, which should be carried out as soon as reasonably possible);
- the **buildings** were in a good state of repair and properly maintained prior to the loss.

If these conditions are not met, **we** may choose to reduce **your** claim in direct proportion to the amount of underinsurance or refuse to pay **your** claim and/or cancel the policy.

If the loss or damage to the **buildings** is not repaired or replaced as explained above, **we** will then decide to pay either:

- the cost of repairing or replacing the damage, less a deduction for wear and tear; or
- the difference between the rebuild of the **home** immediately before the damage and its value after the damage providing **we** pay no more than the cost of rebuilding or reinstating the **buildings**; or
- the cost which would be incurred if **we** replaced the item through **our** network of suppliers.

We will not pay the cost of replacing any undamaged or unbroken item or parts of items forming part of a suite, collection, **pair or set** of the same type, colour or design if the damage happens to one particular area or to a specific part and replacements cannot be matched.

If **we** have discounted the premium for this section because **you** have not made any claims, **we** may reduce or remove the discount and amend the acceptance criteria if **you** make a claim.

If **you** make a claim between the time a quote is given to the inception of the policy, **we** may amend **your** invited premium and their acceptance criteria.

Maintaining the buildings limit

After **we** have settled a claim, **we** will automatically reinstate the **maximum claims limit**, as long as **you** take any reasonable measures **we** suggest to prevent any further loss or damage.

Maximum claims limit

The most **we** will pay under Section One Buildings – Is the **maximum claims limit** or any other limit shown in the **schedule** or in the policy.

Your legal liability to pay compensation for accidental **bodily injury** to a **domestic employee** under a contract of service at the **home**.

The accident must occur during the course of their work and during the **period of insurance**.

The most **we** will pay is five million pounds (£5,000,000) for any one event plus any costs and expenses agreed to in writing. If **you** die, **your** personal representatives will have the benefit of this section for **your** liability for an event covered by this section.

33. Unpaid damages.

The unpaid amount of any award **you** get from a court within the **Territorial Limits** and which has not been paid to **you** within three months of the date of the award.

We will only provide this cover if:

- there is not going to be an appeal;
- the incident giving rise to the claim happened within the **Territorial Limits** and during the **period of insurance**;
- **you** would have been entitled to a payment under the personal liability part of section two: Contents if the award had been made against **you** rather than to **you**;
- the person who owes the award does not live with **you**.

We may take proceedings, at their own expense and for their own benefit, to recover any payment they have made under this policy.

The most **we** will pay is one hundred thousand pounds (£100,000) including legal costs.

Settling claims

As long as the loss or damage is covered, **we** will decide to repair, reinstate or replace the damaged property or if **we** agree to pay a cash or cash alternative settlement, the payment will not exceed the amount **we** would have paid to replace the item through **our** preferred suppliers.

If at the time of loss or damage the **maximum claims limit** for **contents** and /or **high-risk items** shown on **your schedule** is not adequate to replace all the **contents** and/or **high risk items** as new, **we** may choose to reduce **your** claim in direct proportion to the amount of underinsurance or refuse to pay **your** claim and/or cancel the policy.

Where an item has been damaged by an insured event but cannot be replaced either in full (obsolete technology or even a wedding dress that has been used) or in part (cooker glass panel) due to obsolesce **we** will pay the open market value (that is the cost of acquiring a used replacement) for replacing the damaged item or component.

We will settle claims for loss or damage to items which are beyond economic repair on the basis of cost as new (except for clothing where an amount will be taken off for wear and tear) providing:

- The **contents** have been maintained in good repair;
- the **maximum claims limit** for **contents** and/or **high-risk items** is sufficient to cover the full value of the property (except for clothing).

We will not pay the cost of replacing any undamaged or unbroken item or parts of items forming part of a suite, collection, **pair or set** of the same type, colour or design if the damage happens to one particular area or to a specific part and replacements cannot be matched.

We will pay the cost of replacing **downloaded electronic information** up to one thousand pounds (£1,000), but only if no copies are available on other electronic or computer devices **you** or members of **your family** own.

If **we** have discounted the premium for this section because **you** have not made any claims, **we** may reduce or remove the discount and amend the acceptance criteria, if **you** make a claim.

If **you** make a claim between the time a quote is given to the inception of the policy, **we** may amend **your** invited premium and the acceptance criteria.

Where an item has been damaged by an insured event but cannot be replaced either in full or in part due to obsolesce, **we** will pay the open market value (that is the cost of acquiring a used replacement) for replacing the damaged item or component.

We will take off an amount for wear and tear for clothing.

After **we** have settled a claim, **we** will maintain the sums insured, as long as **you** take any reasonable measures **we** suggest to prevent any further loss or damage. (No extra premium will be charged for this.) This does not apply to specified items listed on the **schedule** or pedal cycles.

Proof of value and ownership

In the event of a claim for specified items, **you** will need to provide a professional valuation (within the last 5 years), receipt or proof of purchase predating the loss as proof of value and ownership. **We** may not meet **your** claim, or the amount of the claim may be reduced if **you** cannot provide such proof.

2. Telling us about a change

You must tell **your** broker immediately about any change in the information given to them which is relevant to this policy. If **you** do not, **your** policy may not be valid or may not cover you fully.

Examples of changes **you** must make **your** broker aware of are:

We can also take proceedings, at their own expense and for their own benefit, to recover any payment made under this policy.

5. Disagreement over amount of claim

If **we** accept **your** claim, but disagree over the amount due to **you**, the matter will be passed to an arbitrator who both **you** and **us** agree to. When this happens, the arbitrator must make a decision before **you** can start proceedings against **us**.

12. Breach of Conditions under this policy

If it is found that you have not complied with any condition under this policy and that **your** compliance would normally reduce losses described in this policy. Depending if it is deliberate or reckless a claim can be avoided or reduced. Unless, **you** can prove to **us** that your failure to comply with any such condition would NOT have increased the risk of the loss occurring in the circumstances that it arose.
